## SCHOLARSHIP INFORMATION

According to the United States Office of Education, which polled 2,115 institutions of higher learning, there are 320,085 scholarships available annually. Their worth totals $130,351,256.

On the following pages are just a very small number of scholarships offered which will serve to give the student an idea the various places from which financial grants may be obtained.

When the student has made some selection as to the school where he or she would like to attend a letter should be directed to the Office of Financial Aids - Attn: Scholarship Committee at those universities inquiring as to what scholarships are available. And/Or to The Chairman of the specific department.
